<p><b>APPLICATIONS NUMBER - 2012-13017-EP00140</b></p> <p>Environmental Permit for the Transportation of Hazardous Waste (Dunder) from Long Pond Sugar Estate, Trelawny to Lionel Town Clarendon by Long Pond Distilleries Limited</p>	<p>The application was refused for the following reasons:</p> <ol style="list-style-type: none"> <li>1. The waste disposal pond into which the dunder would be disposed of was sized according to production at Clarendon Distilleries Limited (CDL) and therefore does not have the capacity to manage additional waste from external sources during the operation of CDL. CDL has demonstrated challenges with storage capacity for the dunder that it generates.</li> <li>2. CDL currently does not have a Licence to conduct ferti-irrigation and is</li> </ol>

therefore not in a position to legally dispose of dunder it generates or that another facility generates.

3. The operations at CDL do not have sufficient pipe network to distribute the dunder properly to the canefields at the adjoining Monymusk Estate at an application rate deemed acceptable.
4. CDL has a history of non compliance with the Environmental Permit and Licence which were granted for the operation of the storage pond and discharge to the canefields. The licence expired a year ago and has not been renewed.
5. CDL has failed to provide additional information requested for renewal of their licence for the safe operation of the ferti-irrigation process including effluent quality required for the approval of a nutrient management plan by the Rural Physical Planning Division.
6. On more than two occasions dunder has been released into the environment as a result of the operations at Clarendon Distilleries which has resulted in fish kills.
