

The National Environment  
and Planning Agency

**NATURAL RESOURCES  
CONSERVATION AUTHORITY**

# **PUBLIC NOTICE**

**NEPA wishes to advise the public that Market and Ecosystems surveys will be undertaken to inform the decision with respect to the number of dolphinarium which can be sustainably established in Jamaica. Until such surveys are carried out, no new dolphinarium will be approved.**

**This statement is in keeping with Green Paper dated September 2014 on Dolphin Policy for Jamaica, with special emphasis on Bottlenose Dolphins**

*Managing and protecting Jamaica's land, wood and water*
