

### Tourism Enhancement Fund Project for Environment and Planning

<b>Project title</b>	Strengthening the Ambient Air Quality Monitoring Programme
<b>Project Duration</b>	26 Months (August 2014 – October 2016)
<b>Project Implementers</b>	National Environment Planning Agency, and Tourism Enhancement Fund
<b>Goal</b>	By 2016, Jamaica's air quality will be improved and good public health sustained.
<b>Project objectives</b>	To strengthen the current Air Quality Management Programme of the Agency, the country needs to expand its current ambient air quality monitoring network both by increasing the areas being monitored and the types of pollutants being monitored.
<b>Expected outcomes</b>	Improved national air quality data collected for trend analysis and for informing policy direction.
<b>Project team</b>	The project management components will be done by the Projects and Monitoring Branch and the Technical Branch Air Quality Monitoring Branch
<b>Proposed budget</b>	15,500,000.00
