Re: Amendment to Environmental Permits and Beach Licenses Issued for NFE South Holdings Limited LNG Terminal and Pipeline Project. Old Harbour. St. Catherine - Submission of Public Meeting Report

Further to our submissions for the captioned matter, please find attached two (2) copies of the Report on the Public Consultation for the amendments being proposed by New Fortress Energy South Holdings Limited for the following permits and licences in respect of the above named LNG/NG development:

1. **Environmental Permit # 2016-14017-EP00252 - Construction of an LNG Terminal - issued 9th December 2016.**
2. **Environmental Permit # 2016-14017-EP00251 - Construction of an LNG Pipeline issued 20th December 2016.**
3. **Environmental Permit # 2016-14017-EP00416-Wetland Modification issued 20th December 2016.**
4. **Beach Licence NO.: L3622A - Placement of Pipelines issued 20th December 2016.**
5. **Beach Licence NO.: L3622B - Placement of 78 Pylons issued 20th December 2016**

The document contains:

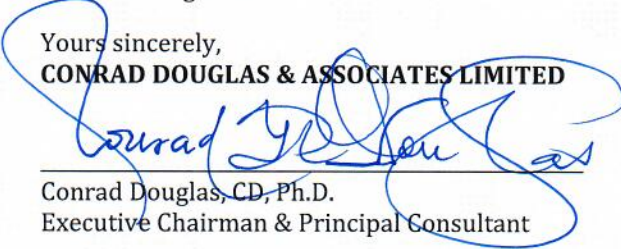

1. An analysis of the meeting participants and outlines the main concerns raised in all meetings
2. The Verbatim Notes of the actual meeting
3. Relevant appendices
 - a. outlining the specific outputs to meet the requirements as per NEPA guidelines.
 - b. the presentation given at the Public Meeting and the Fact Sheet issued.

As discussed we anticipate that the review of the document can be a part of the Agenda for your Board of Directors meeting schedule for this month, January 2018.

Please feel free to contact us for any further clarification needed.

With kind regards.

Yours sincerely,
