D	First Schedule - animals bred in captivity for commercial purposes included in Secretariat's Register
F	Animals born in captivity (F1 or subsequent generations)
O	Pre-convention specimens
R	Specimens originating in a ranching operation
U	Source unknown
W	Specimens taken from the wild
X	Specimens taken in the "marine environment not under the jurisdiction of any State"

Please note the following, where applicable:-

- (1) This application form must be completed to commence processing. Where space is not provided attach additional sheets. Paragraphs that are **not applicable** to your application should be marked as **N/A**.
- (2) If species were collected from the wild, indicate name of location and parish/state/country.
- (3) A permit is required for each shipment of animals.
- (4) Any Certificate of last re-export should be attached to the application form.
- (5) Any import of animals shall be subject to an Animal and Importation Permit from the Veterinary Services Division, Ministry responsible for Agriculture. Any export permit or re-export certificate shall be subject to the grant of an Export Health Certificate from the Veterinary Services Division, Ministry responsible for Agriculture.
- (6) If the specimens are protected animals / birds taken from the wild in Jamaica provide:
 - (a) exemption from the Minister of Environment and
 - (b) the purpose that the specimen was removed from the wild.
- (7) If the specimens are required for the purpose of re-export, attach copies of cancelled CITES Export Permits or Re-export Certificate issued by the appropriate CITES office in the country from which the animal was imported. If you were not the importer, provide copies of the importer's documents and the invoice or receipt that shows you purchased the animal from the original importer.
- (8) For living wildlife, describe the type, size and construction of any shipping container and arrangement for caring for the animal(s) during transport.
- (9) For CITES Appendix I species, attach a copy of the CITES Import Permit issued by the Management Authority of the importing country.

APPLICANTS DECLARATION

I hereby certify that I have read and am familiar with the Endangered Species (Protection, Conservation and Regulation of Trade) Act 2000.

I hereby certify that the information contained in this application is true and complete to the best of my knowledge and belief. I understand that any misrepresentation contained in this form shall lead to the discontinuation of the processing of the application and the revocation or suspension of any permit granted and also may lead to prosecution.
